## 沃格 VOGUE

塑造的不仅是一张椅子  
而是一种时尚美学 一种新的办公方式  
It's not only a chair, but also a kind of  
aesthetics and style

A person in a hoodie stands with their back to the camera, looking out over a city skyline at night. The scene is illuminated by the warm glow of city lights, creating a bokeh effect in the background. The overall mood is contemplative and creative.
